

## Release Notes

September 18, 2019

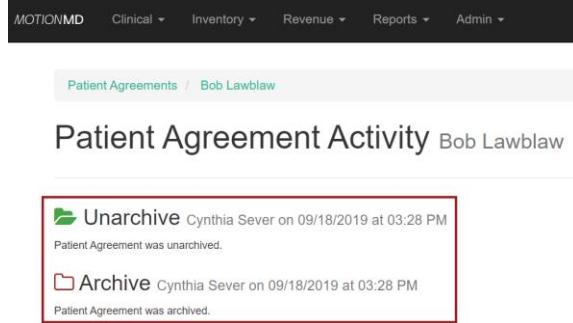

This deployment may include new features, bug fixes, security enhancements, and data migration related issues. The below list contains all the items that will go to Production on 9.18.19.

**[Business Enhancement]** Add the Restock Order number to the header on the Check In page for better clarity

The screenshot shows a web-based application interface. At the top, there is a dark navigation bar with the 'MOTIONMD' logo and links for 'Clinical', 'Inventory', 'Revenue', 'Reports', and 'Admin'. Below this, a light-colored header bar shows the current location: 'Inventory Locations / Sports Orthopedic & Spine - Carlsbad / Restocks / Restock for Sports Orthopedic & Spine - Carlsbad on 09/16/2019 / Check In'. The main content area is titled 'Check In' and displays the Restock Order number '73142' in a large red box. Below the number, the text 'Restock for Sports Orthopedic & Spine - Carlsbad on 09/16/2019' is visible.

**[Business Enhancement]** Add the Archive/Unarchive Date Stamp and User details to the Activity page of Patient Agreements

The screenshot shows a web-based application interface. At the top, there is a dark navigation bar with the 'MOTIONMD' logo and links for 'Clinical', 'Inventory', 'Revenue', 'Reports', and 'Admin'. Below this, a light-colored header bar shows the current location: 'Patient Agreements / Bob Lawblaw'. The main content area is titled 'Patient Agreement Activity' and shows a list of actions for a patient named 'Bob Lawblaw'. The list includes two entries: 'Unarchive' (Cynthia Sever on 09/18/2019 at 03:28 PM) and 'Archive' (Cynthia Sever on 09/18/2019 at 03:28 PM). Each entry includes a timestamp and a note that the action was performed by 'Patient Agreement was unarchived' or 'Patient Agreement was archived'.

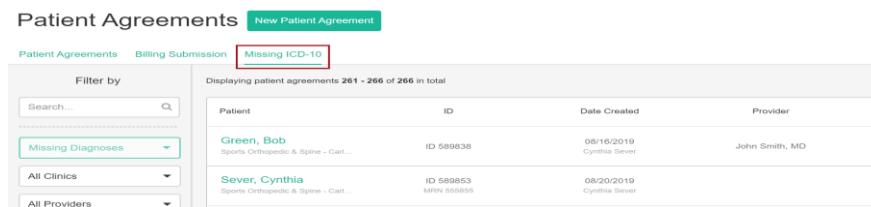

**[Business Enhancement]** Add Create PA for this Patient link to the Patient Record page to more easily start the creation of a PA for a specific patient when viewing the Patient Record page

**Bob Cobb** 62 years old

The screenshot shows a web-based application interface for a patient named 'Bob Cobb'. The page is divided into three main sections: 'Demographics' (Gender: Male, Height: -, Weight: -, Birthdate: 1957-05-09 (62 years old), Last 4 SSN: -, MRN: 8673089), 'Emergency Contact' (Name: -, Phone Number: 7607271280), and 'ACTIONS' (Edit, Create PA for this Patient, Inactivate Patient, RELATED, View Creator). The 'Create PA for this Patient' link is highlighted with a red box.

**[Business Enhancement]** Phase One – Add new tab to PA page called Missing ICD10. Clicking on the tab will show PAs filtered to Missing Diagnoses. Future functionality will allow users to add ICD10 codes inline

The screenshot shows a web-based application interface for 'Patient Agreements'. At the top, there are tabs for 'Patient Agreements', 'Billing Submission', and 'Missing ICD-10', with 'Missing ICD-10' highlighted by a red box. Below the tabs, there is a search bar and filter options for 'Patient', 'ID', 'Date Created', and 'Provider'. The main content area displays a table of patient agreements, with two rows visible: 'Green, Bob' (Sports Orthopedic & Spine - Cart...) and 'Sever, Cynthia' (Sports Orthopedic & Spine - Cart...). The table includes columns for 'Patient', 'ID', 'Date Created', and 'Provider'.
