

Release Notes

July 22, 2020

This deployment may include new features, bug fixes, security enhancements, and data migration related issues. The below list contains all the items that will go to Production on 7.22.20.

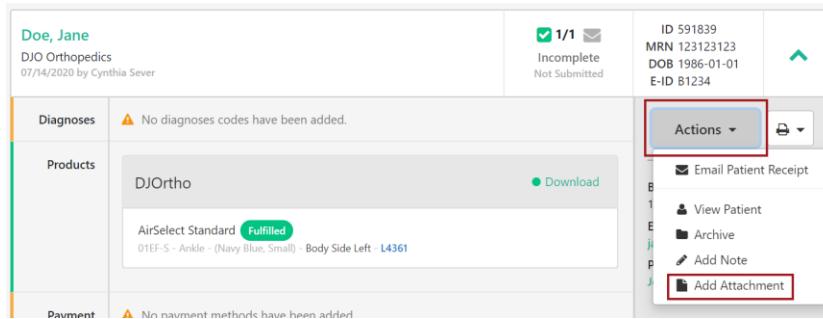

[Business Enhancement] Update aging Incomplete PA alert on the Dashboard from 45 to 25 days old

DJO Orthopedics

The screenshot shows the DJO Orthopedics Patient Agreements dashboard. At the top, there are tabs for Patient Agreements, Restock Status, Billing, and Analytics. The Patient Agreements tab is selected. A red box highlights a message: "You have Patient Agreements that need your attention! 72 Incomplete Patient Agreements are more than 25 days old." Below this, a red button says "View Patient Agreements". To the right, there is a search bar and a filter by date dropdown set to "Incomplete Older Than 25 Days". The main list area displays patient agreements, with one entry for "Cobb, Bob" from DJO Orthopedics on 05/29/2020. A "Patient Agreements" button is visible at the bottom of the list.

[Business Enhancement] Allow Attachments from computer or Mobile Companion App to be uploaded to a Patient Agreement from the expanded PA view on both the Patient Agreement and Billing Submission tabs

The screenshot shows the expanded view of a Patient Agreement for "Doe, Jane". The main view includes sections for Diagnoses (No diagnoses codes have been added), Products (DJOrtho, AirSelect Standard, Fulfilled), and Payment (No payment methods have been added). To the right, a sidebar shows patient details: ID 591839, MRN 123123123, DOB 1986-01-01, E-ID B1234. A red box highlights the "Actions" dropdown menu, which lists options: Email Patient Receipt, View Patient, Archive, Add Note, and Add Attachment. The "Add Attachment" option is also highlighted with a red box.
