ISOFORM® LSO+

STEPS FOR PRIOR AUTHORIZATION:

- If the product bills with one of the codes above follow these steps:
 -  Ensure the required HCP – Patient face-to-face encounter has occurred and been documented, and create the Written Order Prior to Dispense (WOPD).
 - Inform the patient that the item prescribed requires Medicare prior authorization which takes 2-10 business days.
 - Send complete Rx to Enovis' Insurance Bracing Dept for prior authorization.
-  Documents needed include:
 - WOPD
 - HCP-Patient Face to Face Examination Evidence (Medical Records)
 - Documentation from Medical record supporting medical necessity
- Your Enovis™ Representative will keep you informed of the order status.
