

## PRINTING A PA RECEIPT

As patient may elect to have a printed receipt instead of an email copy. Follow the steps below to Print a PA Receipt in MotionMD.

On the PA Page, select the Print option on the right-hand side of the PA page.

Once selected, a drop-down box will appear. Select the **PA Receipt** option.

The PA Receipt will download to the bottom of your page. Select to open the PDF file for printing.
