MOTIONMD® by DJO®

Release Notes   February 2, 2022

This deployment may include new features, bug fixes, security enhancements, and data migration related issues. The below list contains all the items that will go to Production on 2.2.2022.

[Business Enhancement] Ability to transfer Products from the Product show page Action menu in addition to the Inventory Location Stock by Item tab

[Business Enhancement] Update the buttons on the modal when creating a new Attribute

[Business Enhancement] Show all notes, Internal and Patient Facing, on the Billing Doc PDF with a header indicator

[Business Enhancement] Present a warning modal to a User when Canceling an Inventory Count so users don't accidentally cancel a Count

[Business Enhancement] Show all remaining available Drop Ship address options once an address has been added for easier address editing when needed

[Business Enhancement] Show the full MRN on the PA cards on the Patient Agreement, Billing Submission and Missing ICD10 tabs

[Operational Enhancement] SSO configuration to allow forced IdP logout when a User logs out of MotionMD

[Operational Enhancement] Upgrade all Restocks views to Bootstrap4

[Future Enhancement] VeriPro Patient Estimate Disclaimer link in the VeriPro Pay Now/Record Payment section of a PA

[Future Enhancement] VeriPro specific Analytics charts/tables

[Reports] Reverse the order of the Manufacturer and Product Name columns on the Product Report for consistency across reports

[Reports] VeriPro report updates to accommodate new data

[Reports] Added the Product's Patient Price as a new column to the Stock Record Report

[Bug Fix] The Edit button is visible on Restocks in the Checked In and Cancelled filters on the Restock Index and Inventory Location Restock Index pages

[Bug Fix] OC Admins should not be able to edit Account Settings

[Bug Fix] Updating the Patient name on a PA under the demographics section doesn't update the name at the top of the PA

[Bug Fix] Pas in Error status aren't appearing in Analytics on the Provider or Overview tabs
