

SUBMIT A CLAIM TO ENOVIS BILLING

Once all billing requirements have been met, the claim(s) are ready to be billed. Follow the steps below to submit a claim to billing with the exception of Special Billing/Third Party claims. All Special Billing/Third Party claims should follow the [Submit Claim to Special Billing or Third Party](#) workflow.

On the MotionMD Dashboard, go to Ready for Billing and select View All:

The screenshot shows the MotionMD dashboard for CSA Orthopedics. The top navigation bar includes links for Clinical, Inventory, HCPCS Codes, Reports, and Admin. The main content area has tabs for Patient Agreements, Restock Status, and Billing. A search bar is present for Patient Agreements. Below the search bar, there are two summary cards: 'Completed PAs that are ready for billing' (48) and 'Submitted PAs with Errors' (16). The 'Completed PAs' card is highlighted with a red box. Below these cards, there are filters for 'Filter Dashboard by' (Clinic, All Clinics) and 'Provider' (All Providers, All Providers). A table shows 'Incomplete' (194) and 'Missing Provider Signature' (32) items. A 'Sign All' button is visible at the bottom right of the table.

Once in the Billing Submission tab, it will auto-default to Not Submitted claims. Utilize the filters to search for specific claim types as needed.

The screenshot shows the MotionMD Patient Agreements - Billing Submission tab. The 'Not Submitted' filter is highlighted with a red box. The main content area displays a list of patient agreements. A specific claim for 'Patient, Test' is shown with details including Diagnoses (S93.01X5), Products (AirSelect Standard), Payment (Medicare), and Signatures. A 'Submit to Billing' button is visible at the top right. The claim status is 'Ready for Billing' and 'Not Submitted'.

After reviewing the claim, select each claim for billing submission. To select claim(s), check the box in the product section by the billing channel. Once all claim(s) have been chosen, the user will select **Submit to Billing**.
